CLASSBOOK OF THE
JANUARY 1952 GRADUATES

DE WITT CLINTON HIGH SCHOOL

MOSHOLU PARKWAY
NEW YORK CITY

“Success depends on three things: who
says it, what he says, how he says it;
and of these three things, what he says
is the least important.”

—John Viscount Morley

We, the Seniors of the Class of January 1952, in sincere appreciation for his patient understanding and tireless efforts to build men of both outstanding physical and moral character, humbly dedicate this book to Mr. Edwin H. Hastings, Chairman of the Health Education Department.

TO THE MEN OF JANUARY 1952

The last four years have passed quickly, and you are about to reach the stage of "mission accomplished." The years ahead are likely to be filled with uncertainty. Many of you will enroll in college, others will seek jobs, but practically all of you are likely to be required to render military service to your country. It is obvious that each of you should use to good advantage the time that intervenes. The military needs foisted upon our nation are such that all of you may not be permitted to complete your education, or establish yourself firmly in your careers before this interruption takes place. What you are able to accomplish before you are required to fulfill your obligations as citizen soldiers will be all to the good and certainly of great advantage in the effective resumption of your civilian status. The important factor you must bear in mind is that time is now of the essence.

Rest assured that my personal best wishes and the best wishes of the faculty go with you wherever events may take you.

Felton goes for yardage on an end run against Stuyvesant

Evander runner swamped by host of Clinton men

Despite injuries, ineligibility rules, and a tough schedule which included some of the top parochial schools, the 1951 Clinton Steamrollers finished the season with an impressive 4-4 record. What makes the record even more impressive is the fact that all four of our wins were shut-outs, and our PSAL mark was 4-1, which gave us another mythical Bronx-Manhattan Championship.

The Governors got off to a bad start when they had to play their three toughest games first, and thereby lost all three. Our first defeat was against All Hallows 19-0, followed by losses to the powerful Cardinal Hayes team 32-7 and the equally power-laden Mount St. Michael squad, 33-0. Things looked even blacker for our club after those three defeats as one of Clinton's star ends, Donald Isaacson, the only player to score a touchdown against Hayes this season, and Co-Captain and fullback Al Friedlander were lost to the team because of the ineligibility law.

Still the Red 'n' Black refused to give up and they finally started to move when they met teams of their caliber. Led by fullback Fred Hovaspian, who was just converted from tackle, the Governors swamped a favored Evander squad, 38-0. Thus regaining our feet, we proceeded to blank Stuyvesant in the traditional classic 18-0,

and then dump Flushing 13-0. A little too cocky over three straight shut-outs, we dropped a hard fought contest to a spirited Evander team, 13-7. But, once again coming back, we climaxed our season with a 26-0 romp over Monroe.

Big Fred Hovasapian, who made starting fullback on the J-A All-City team, and received the M.V.P. Award for the outstanding player in the Stuyvesant game, led Clinton in scoring with 38 points, while the sophomore sensation, Buster Wolosky, lugged the leather for four touchdowns. Joe Shelton came in third in scoring honors with two T.D.'s and this is pretty good considering that Joe is a line backer who only plays on defense. Rounding out the rest of the offensive backfield are: Happy Felton, Bob Buckner, Herb Lipschitz, Bob Brown, Tony Bari, and Len Morris.

Our great defense, only 13 points scored on us in 5 PSAL games, centered around the tremendous linebacking of John "Duke" Wellington and Herb "Blackie" Lipschitz, both who played most of the season with bad ankles. Pass defense was also handled by these two, plus Shelton, Wolosky, and Cedric Wolfman who played stellar ball, especially in the last few games. These players, plus the big forward wall consisting of Slimowitz, Mischel, Picarillo, Chivily, Gouravich, Roumanis, Burnett, Considine, and Soffa, who were led by the hard-charging defensive ends, Fred Hovasapian and Fred Gerenser, a fellow who played terrific ball all season; make up the 1951 Bronx-Manhattan Champs.

Once again we give a lot of credit to Coach Hank Jacobsohn and his backfield coach, Joe Consagra. We wish them and next year's co-captains, John Chivily and George Roumanis, the best of luck in the 1952 season.
